If the Seller is unable to deliver the Products on the agreed delivery time, the Seller shall immediately notify the Buyer of the delay. If a delay in delivery due to reasons attributable to Seller causes considerable expenses or substantial inconvenience to the Buyer, the Buyer has the right to cancel the delayed products, when the delay has lasted for more than sixty (60) days from the agreed delivery date. If the Buyer has not without delay notified the Seller in writing of exercising its right of cancellation the Seller has the right to postpone the delayed delivery for a period considered reasonable in the circumstances.
